Discussions:

The Village Board discussed updating several Village Ordinances and the Municipal Code Book. It is the opinion of the Village Board that several Ordinances/Codes are vague and/or outdated. After discussion, the Village Board agreed to update the Municipal Code Book at a later date to allow time for all Board Members to review the current Ordinances and Municipal Codes. Fire Chief, Shawn Wiese, informed the Village Board of the equipment installed on the new truck and that the old truck will be given back to the NE Forestry. The issue of tornado sirens was also discussed regarding the potential need for the sirens last Saturday morning. Weise explained that DeWitt was not in the tornado warning and that the Saline County Sheriff's office is responsible for sounding off the sirens. He did storm spot that morning and agreed there was no need for the sirens to go off. Hunter Oliver addressed the Board regarding beginning Wastewater Operator training and testing, weed spraying and drain wash outs. The Village Clerk, Moria Holly, presented to the Village Board her report consisting of updates regarding nuisance properties; Norris' letter, open house and testing; possible dump station; the Village budget; JEO WWTP survey; and sales tax.
