Discussions:
Fire Chief, Shawn Weise, did state the Norm Michel, who originally did the membrane on the flat roofing did inspect it as well. Norm stated that he found an area where the gutter had pulled away and where the roof meets the adjacent building had deteriorated. Those areas were caulked to help prevent any additional leaking. Norm did submit estimates for repairing or replacing the membrane at the Fire Hall. It was agreed to wait and see the estimates from Lilleholm Construction to compare them. Utility Superintendent, Hunter Oliver, discussed with the Village Board water meters have been ordered, leak at the water tower in a regulating valve, PFAs testing, VFD repair update, Wastewater Treatment Plant project updates – MCC is installed, and generator is expected to be delivered in November, gravel for roads is scarce at the moment but roads have been graded, floodplain updates – getting everyone in compliance and avoiding any local enforcement or violations, no flooding within the Village, but would like to consider changes to the floodgate, dump truck being prepped for the snow season, Johnson Services will be cleaning culverts for the railroad, Fern Circle and the ballfield and painting of the pool will begin next week. Village Clerk, Moria Holly, presented her Clerk Report consisting of updates regarding the Study grant, sales tax funds and keno funds collected.

Adjournment at 8:02 P.M. with no further business, all in favor.
